2.2 Notwithstanding the termination date identified in Section 7, either Party may terminate this Agreement by providing written notice of termination to the other Party no less than sixty (60) days prior to the effective date of termination. Alternatively, this Agreement may be terminated without notice upon mutual agreement of the Parties expressed in writing.

2.3 Sections 10 and 11 of this Agreement shall survive any termination of this Agreement.

3. Project Scope and Approval—Permits and Approvals. The Municipality shall obtain and be responsible for all applicable approvals and permits for the Project and is responsible for compliance with all applicable laws, rules, and regulations.

4. Project Work. Attachment A to this agreement includes a description of the Project work, and a schedule of the Project work. It has been developed in agreement between the Municipality and the District Administrator.

5. Payment and Use of Funds. The District shall pay Funds to the Municipality only for Project-related expenses, in accordance with a schedule and procedure approved by the District Administrator as set forth in Attachment A, referenced in paragraph 4. The Municipality will make a brief presentation to the Board at a regularly scheduled meeting in 2023.

8.2 The Municipality shall retain all records and documents relating to the Funds for a minimum of seven (7) years after final payment of Funds by the District, unless required by law to be retained for a longer period, in which case the longer period shall apply.

However, if any such injuries and damages to persons or property are caused by or result from the concurrent negligence of the District or its officers, officials, employees, agents, contractors and volunteers, and the Municipality or its officers, officials, employees, agents, contractors and volunteers, each Party's obligation hereunder applies only to the extent of the negligence of such Party or its officers, officials, employees, agents, contractors, or volunteers.

11.2 The foregoing indemnity is specifically and expressly intended to constitute a waiver of each Party's immunity under industrial insurance, Title 51 RCW, as respects the other Party only, and only to the extent necessary to

provide the indemnified Party with a full and complete indemnity of claims made by the indemnitor's employees. This waiver has been mutually negotiated by the Parties.

12. Amendment. This Agreement may be modified by written instrument approved by the Municipality's governing body and the Board and signed by the authorized representatives of the Parties.

13. Waiver. No waiver by either Party of any term or condition of this Agreement shall be deemed or construed to be a waiver of any other term or condition, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach whether of the same or different provision of this Agreement. No waiver shall be effective unless made in writing.

14. No Third Party Rights. Nothing in this Agreement shall be construed to create any rights in or duties to any third party, nor any liability to or standard of care with reference to any third party.

15. Entirety. This Agreement is the complete expression of the terms hereto and any oral representations or understandings not incorporated are excluded. This Agreement merges and supersedes all prior negotiations, representations and agreements between the Parties relating to the projects and constitutes the entire agreement between the Parties.

18. Severability. The invalidity or unenforceability of any provision in this Agreement shall not affect the validity or enforceability of any other provisions that can be given effect without the offending provision.

19. Administration. This Agreement will be jointly administered by the Municipality and the District. This Agreement does not create any separate legal or administrative entity.

20. Financing; Budget. This Agreement does not contemplate joint financing of the activities within its scope, nor does it contemplate a joint budget.

21. Property Acquisition and Disposition. This Agreement does not contemplate the joint acquisition of property by the parties. At termination, each party will remain the sole owner of its own property.

22. Filing of Documents. The District Administrator shall receive and give all notices, approvals, reports, and documents under this Agreement.

23. Recording. In accordance with RCW 38.34.040, this Agreement shall be filed with the Pierce County Auditor or listed on the web sites of the Parties prior to its effective date.
